Abstract: The "concept and process of coming out" interview is designed to assess "how do gays and lesbians, growing up erroneously thinking they are straight, learn that they are gay or lesbian and accept this as a positive aspect of self" (p. 179). The interview also erroneously thinking they are straight, learn that they are gay or lesbian and accept this as a positive aspect of self" (p. 179). The interview also covers related health concerns.
