2016 EMPLOYMENT REPORT

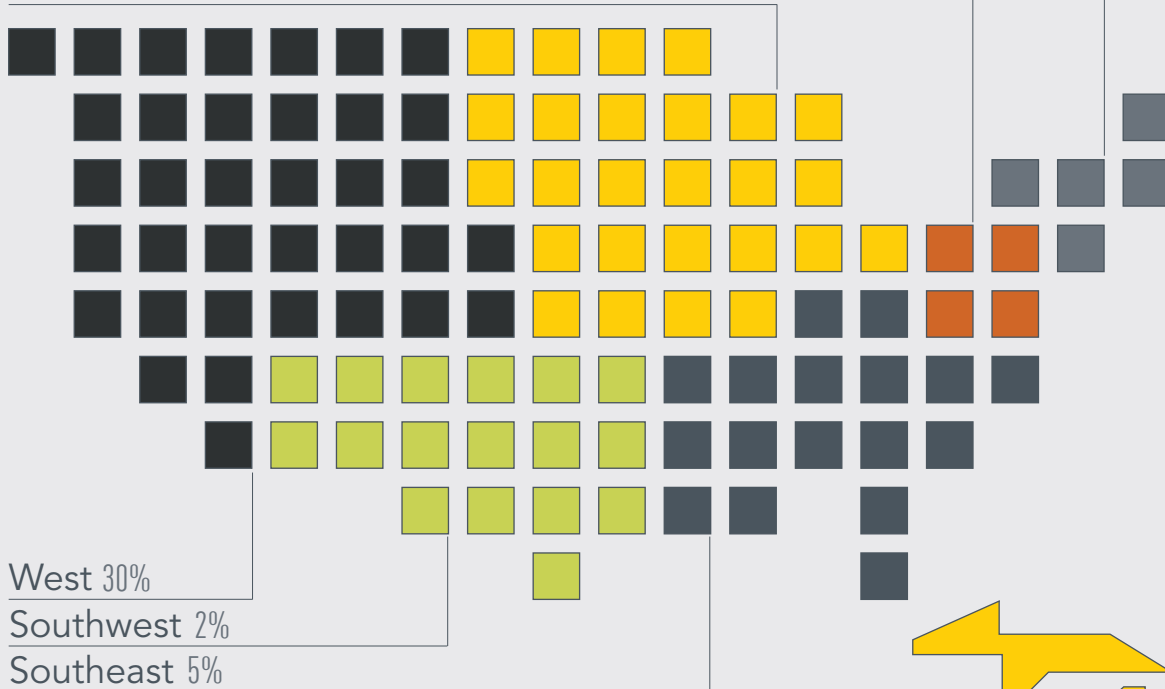

The University of Michigan School of Information (UMSI) Career Development Office surveys our graduates to identify their post-graduation plans and outcomes. This report summarizes first-destination employment outcomes from 2015 graduates across our four programs: BSI, MSI, MHI and PhD from graduates who completed the survey by the deadline or for whom a known outcome was reported in other ways. Of the UMSI students who graduated in 2015, 81% responded to the survey or reported their outcomes in other ways.
