CCSI Participant website

Note regarding CCSI Online Schedule & Format:

"CCSI Online!" is using a few platforms to deliver information to you. Activities both live and recorded are scheduled from 10 am-12 pm AND 2-4 PM throughout the week. See below for details and the agenda:

1. **CCSI Online Participant Website-** This is the introduction to CCSI with key steps outlined to know and do in order to prepare for the week. In fact, you are reading this agenda via this participant website!
2. **Canvas Learning Platform-** Canvas is the learning management system that we use at the University of Michigan (UM) similar to Blackboard or Moodle. You will need to log-in with your University of Michigan credentials (uniqname and password) provided via email
3. **ZOOM-** All "LIVE" sessions will take place via ZOOM. All you will need to do is click on the Zoom link provided to participate. Instructions will also be provided on how to log-on to a session by phone if necessary.

DAY 1: Monday, June 8

THEME: GETTING STARTED & GETTING TO KNOW YOU

MORNING SESSION

10:00 AM- 12:00 PM   Meet the (BSI) Director (Recorded)
Be sure to check out the recorded message from, Faculty Director of the Bachelor of Science in Information (BSI), Cliff Lampe, who will introduce himself & provide an introduction to the field of Information Science/BSI undergraduate degree program .

AFTERNOON SESSION

1:00-2:00 PM   Welcome & Introduction to CCSI (LIVE)
Kick off the first day of the UMSI Community College Summer Institute with a welcome from Devon Keen, Assistant Director for Outreach and Transfer Student Initiatives and CCSI staff. Share your hopes for the week, what you most want to learn/know.

2:00-3:00 PM   Adventure Leadership Team Building Activities (LIVE)
Not your usual ice breaker---participants and staff will participate in interactive team building activities focused on communication, cooperation, and problem-solving.

DAY 2: Tuesday, June 9

THEME: GETTING TRANSFER READY PART I

MORNING SESSION

10:00 AM-11:00 AM   Financial Aid Presentation: "Michigan… the best deal in town" (LIVE)
Representatives from the University of Michigan Office of Financial Aid will outline the extensive resources available for Michigan residents (US citizens and permanent residents) to attend the University. There are dedicated resources at U-M to answer specific questions for international and DACA students as well.

11:00 AM-12:00 PM   Guide to writing a good resume (Recorded)

AFTERNOON SESSION

2:00-3:00 PM   Writing your Admissions Essay Workshop (LIVE)
Nitesh Singh, Assistant Director of the BSI program will facilitate an essay workshop to prepare you to present yourself in the best light and get started on the writing process.

OPTIONAL ACTIVITY: GAME NIGHT W/ CURRENT STUDENTS

7:00-8:00 PM   Game Night (LIVE)
CCSI student staff Leslie Tetteh, Cedric Ingram and Virginia Pollock will be hosting a game night for CCSI participants. Students will be split into game rooms where we will play Jackbox, skribbl.io and more!

DAY 3: Wednesday, June 10

THEME: MEET THE PROFESSORS

MORNING SESSION

10:00 AM-12:00 PM   Prof. Barbara Ericson, Faculty Mini-Lecture: Fun with Programming (LIVE)
Professor Barbara Ericson will share an introduction to programming with Python and describe how programming fits within the BSI degree. CCSI fellows will engage in a fun programming activity-- it will be an introduction to programming for some and an introduction to the Python programming language for those who have prior programming experience-- Remember **prior programming experience is not required**.

AFTERNOON SESSION

2:00 -3:00 PM   Prof. Daniel Romero, Faculty Mini-Lecture: Information Analysis 101 (LIVE)
Professor Daniel Romero will provide an introduction to topics taught as part of the BSI's information analysis pathway and facilitate a group activity to start you thinking about how to use data in unusual ways to come up with novel solutions.

STUDENT ACTIVITY

3:00-4:00 PM   BSI Student QA (LIVE)
CCSI student staff Cedric Ingram and Virginia Pollock will be hosting live QA for students to ask and submit questions. As BSI seniors, they can answer questions regarding BSI coursework, the admissions process, student life at University of Michigan and more.

DAY 4: Thursday, June 11

THEME: GETTING TRANSFER READY PART II & GETTING CREATIVE

MORNING SESSION

10:00 AM-12:00 PM   BSI Academics, Admissions & Transfer Readiness (LIVE)
Learn more about the BSI application and admission process and with key steps highlighted to make sure you are "Transfer Ready"! Check out the CCSI Canvas Site for helpful checklists and resources!

AFTERNOON SESSION

2:00 PM-4:00 PM   Introduction to User Experience (UX): A Design Jam (LIVE)

Join your fellow CCSI students and get an introduction to the design thinking process. Design jams are action-packed, high-energy events in which students go from exploring a problem to creating solutions in a short period of time. In this design jam, you will experience user-centered design in a virtual environment, participate in hands-on activities that are fast and fun, and unleash creativity and find new ways of thinking about problems. You will work in small teams with your CCSI colleagues to come up with unique and innovative ideas to solve a real-world challenge.

To participate in the live design jam you will need reliable internet access, the ability to call in on Zoom, a pen, paper, and sticky notes (if you have them). Prior to the design jam, you will receive additional information about the event, including how to access Zoom and the Google Suite used for the session.

DAY 5: Friday, June 12

THEME: GETTING TO KNOW YOUR STRENGTHS & GETTING ANSWERS

MORNING SESSION

10:00 AM-12:00 PM   Discover your Strengths (Recorded)
Joanna Kroll, Director of the UMSI Career Development Office, discusses how you can better understand your strengths and talents, as well as how to use your strengths on a team and how to articulate your strengths to employers. To prepare for this session follow the instructions listed here

---

AFTERNOON SESSION

2:00 PM-4:00 PM   Final Reflections (LIVE)

(version 6.4.2020)

Join this live session where we share with each other the main things we learned or will take-away from this CCSI experience AND also discuss (and have answered) any lingering questions. A link will be provided to ensure that all feedback can be given anonymously.

 MUMSI the squirrel will also be on hand to share team results from the leaderboard and Devon will discuss next steps. Remember CCSI is the beginning not the end!
