"Working to update the database architecture and allow for Adidas to move into the modern age of data and predictive analysis was an incredibly rewarding experience! Beyond that the week-long hackathon in Los Angeles was an incredible experience and I loved being able to have a real impact on things that the company executes."

Brandon Huggard, BSI
Adidas

About the 2022 BSI Internship Report

The University of Michigan School of Information (UMSI) Career Development Office surveys students who take part in a summer internship to earn credit and/or meet a degree requirement. This report summarizes UMSI internship outcomes from BSI students who participated in a summer 2022 internship and submitted their post-internship survey by the deadline. There were 110 approved BSI internships for summer 2022. 100% response rate, unless otherwise noted.
