

AVERY ROSE EVERHART

Curriculum Vitae – August 2022

[Personal Website](#) | averose@umich.edu | [ORCID](#) | [Academia.edu](#) | [ResearchGate](#) | [Publons](#)

EDUCATION

- 2022 Ph.D. in Population, Health, & Place | **University of Southern California**
Dissertation “Incomplete Data & Insufficient Methods: Transgender Population Health Research in the US”
Committee John P. Wilson (*chair*), Laura Ferguson (*co-chair*), Juan De Lara, Johanna Olson-Kennedy & Arjee Restar
- 2016 MA in Gender Studies | **Queen’s University**
Committee Scott Lauria Morgensen (*chair*), Trish Salah, & Beverley Mullings
- 2014 BA in Women’s & Gender Studies, Religious Studies, & French
University of North Carolina at Greensboro, *summa cum laude*

PROFESSIONAL EXPERIENCE

- 2022-present Postdoctoral Research Fellow | **University of Michigan**
Joint appointment in School of Information and Department of Health Behavior & Health Education in School of Public Health
PIs: Oliver Haimson (iSchool) & Kristi Gamarel (HBHE)
- 2021-present Distinguished Fellow | Center for Applied Transgender Studies (Chicago, IL)
Co-founder

HONORS AND AWARDS

- 2022 Postdoctoral Research Fellowship, Institute for Sexual & Gender Minority Health
University of Chicago, T32 Postdoctoral Training Program in Translational Science, HIV, and Sexual & Gender Minority Health
(*Declined by me*)
- 2022 Order of Arête, University of Southern California
This is the highest honor conferred to graduate students in recognition of outstanding campus and community leadership in excess of the degree requirements
- 2022 Gamma Theta Upsilon lifetime inductee
GTU is the International Geographical Honors Society to which I was inducted in my final semester at the University of Southern California

Everhart, A.R. [“The Limits and the Promise of Trans Rights as Human Rights Claims.”](#) *Open Global Rights*. Part of a suite on Sexuality, Sexual Rights, and Reproductive Rights under [Cross-Cutting Approaches to Human Rights series](#).

GRANTS AND FELLOWSHIPS

- 2022 Support for “Developing Accessible, Community-Responsive Conference & Events” Wellcome Trust (London, UK) *\$10,000*
- 2021 Conferences & Events Grant to fund “Converging Crises” conference Synergia Initiatives for Human Rights (Buenos Aires, Argentina) *\$500*
- 2021 Summer Dissertation Research Fellowship University of Southern California – Spatial Sciences Institute *\$5,000*
- 2019 Travel Grant – “Doing Critical GIS Workshop” University of Maryland Baltimore County – Department of Geography *\$1,000*
- 2018 Summer Research Fellowship to attend Bioethics Institute at Yale University University of Southern California – American Studies & Ethnicity *\$5,000*

INVITED TALKS

- 2022 “Incomplete Data & Insufficient Methods: Lessons from Transgender Health Research” Quinnipiac University School of Medicine, *April 28th*
Health Equity Collaborative
- 2022 “Incomplete Data & Insufficient Methods: Lessons from Transgender Health Research” University of Wisconsin-Madison, Community & Environmental Sociology, *April 27th*
Co-sponsored by Sociology
- 2022 “Incomplete Data & Insufficient Methods: Lessons from Transgender Health Research” Purdue University, School of Nursing *April 13th*
- 2022 “Combatting Misinformation: Lessons from Transgender Health” Purdue University, Libraries & School of Information *March 27th*
- 2022 “The Social (After)Life of Statistics in Transgender Studies” University of Connecticut, *March 8th*
Co-sponsored by Women’s, Gender & Sexuality Studies & UConn Rainbow Center

- 2022 “Incomplete Data and Insufficient Methods: Lessons from Transgender Health Research”
University of Texas at Austin, School of Information Colloquium *January 18th*
- 2021 “Lessons on Accessibility, Diversity, Equity, and Inclusion from ‘Converging Crises: Transgender Health, Rights, & Activism’ conference”
EDIS Symposium 2021
Wellcome Trust, London, UK *December 8th*
- 2021 “Incomplete Data and Insufficient Methods: Transgender Population Health Research”
Rutgers University, School of Public Health, Urban-Global Public Health *November 23th*
Guest Lecture for UGPH 0646: “Transgender Health”
- 2021 “Data Quality and Integrity: Constructing a Transgender Healthcare Provider Database”
Brock University, Faculty of Applied Health Sciences *November 8th*
Guest Lecture for HLSC 3Q90: “Geospatial Analysis for Public Health Sciences”
- 2021 “Incomplete Data and Insufficient Methods: Lessons from Transgender Health Research”
University Nevada at Reno – Department of Geography *October 27th*

PUBLIC LECTURES AND WORKSHOPS

- 2020 “Geographic Thinking and GIS for Global Public Health”
Public lecture & workshop for USC Institute on Inequalities in Global Health
<https://www.youtube.com/watch?v=amwhCQwZ6yg&t=84s>
- 2016 “Transfeminine Inclusion in Women’s Spaces” – Sexual Assault Center Kingston
In collaboration with Levana Gender Advocacy Centre & Ontario Public Interest Research Group
Kingston, ON, Canada, May 17th

CONFERENCE ACTIVITY

Conferences Convened

- 2021 [Converging Crises: Transgender Health, Rights, and Activism in 2021](#)
Co-chair with Francisco Fernández, Noah Adams, & Reubs Walsh
Inaugural conference with [Transgender Professional Association for Transgender Health Co-Sponsored](#) by Mark S. Bonham Center for Sexual Diversity at University of Toronto
The Graduate School of the University of Toronto
Synergía – Initiatives for Human Rights

Panels & Symposia Organized

- 2023 [“Gender Identity, Sex & Sexuality”](#) panel
Population Association of America Annual Meeting

New Orleans, LA, *April 12-15*

- 2021 [“Applied Transgender Studies: A Call to Action”](#) with Eriq Zhang and TJ Billard hosted by Paisley Currah
Inaugural event for the [Center for Applied Transgender Studies](#), May 25th
- 2020 “Hormone Replacement Therapy and Informed Consent”
Symposium given with Dr. Frances Grimstad, Gaines Blasdel, and Dr. Colt St. Amand
World Professional Association for Transgender Health; Virtual, *November 6-10*
- 2020 “Transnational Organizing for Transgender Health, Sexual Rights, and Human Rights”
Co-chair with G. Nic Rider, & Katherine Spencer at University of Minnesota Institute on Sexual and Gender Minority Health
National Women’s Studies Association, November 12-15
Canceled due to COVID-19

Papers Presented

- 2022 “Measuring Geographic Access to Gender-Affirming Hormone Therapy”
World Professional Association for Transgender Health
Montreal, QC, September 16-20
(canceled by me due to pandemic surge)
- 2021 “Expounding ‘access to care’ for transgender populations: Bridging human rights and medical geography through transgender healthcare in the US”
“Broaden Systems of Care and Support” panel in “Health and Medical Geography” series
Canadian Association of Geographers; Virtual, June 7-11
- 2021 [“A Rights-based Approach to Measuring Geographic Access to and Availability of Transgender Healthcare”](#)
“Intersectionality, GIScience, & Public Health” panel for Health and Medical Geography Specialty Group
American Association of Geographers; Virtual, April 5-10
- 2017 “Transitions, Timelines, and Trajectories: Toward a Theory of Trans Temporality through Black Critical Thought and Technologies of Gender Affirmation”
Society for Literature, Science, and Arts;
Tempe, AZ, November 10-12
- 2016 “Transmisogyny, Narratives of Transition, and Bio/Necro/Politics: The Technicity of a Testosterone Blocker”
Trans* Studies: An International Transdisciplinary Conference on Gender, Embodiment, & Sexuality; Tucson, AZ, September 7-10
- 2015 “Crises in Humanity: Transhumanism, Futurity, and Relationality”

Critical Ethnic Studies Association – Sovereignties and Colonialisms: Resisting Racism, Extraction, and Dispossession
Toronto, ON, April 30 – May 3

- 2013 “Que(e)rying In/Visibility: An Intersectional Interrogation of Violence and the Visible”
Southeastern Women’s Studies Association – Outrage!: Discourse, Practice, and Politics of Protest and Social Transformation
Greensboro, NC, April 18-20

Panelist & Discussant

- 2022 “Critical Data Studies and Transgender Studies”
Panel for “Applied Trans Technology Studies” Mini-Conference
Sponsored by the Center for Applied Transgender Studies
Virtual, January 21st
- 2021 “Sexual Health, Sexual Rights, & Sexual Pleasure: Setting the Transgender & Gender Diverse Agenda”
Part of Trans & Gender Diverse Assembly within *Leave No One Behind* congress
World Association for Sexual Health & South African Sexual Health Association
Virtual, September 9-12
- 2021 “Intersectionality & Public Health Symposium”
University of Chicago Health Regions + Policies Lab
Co-sponsored by Chicago Center for HIV Elimination, & UChicago’s LGBTQ+ Resource Group
- 2021 “More than Mentoring: Towards a More Just and Equitable Geography”
Co-sponsored by Indigenous Peoples & Queer and Trans Geographies Specialty Groups
American Association of Geographers Annual Conference; Virtual, April 5-10
- 2020 “Self-Care and Health: The Interplay of Technologies, Ethics, and Human Rights; Are We Going Back to the Future, or Is It a Whole New World?”
USC Institute for Creative Technologies, mHealth Collaboratory, Institute on Inequalities in Global Health
Virtual Meeting, October 9
- 2019 "Sexual Rights for Transgender/Non-binary/Gender Non-conforming Youth and Adults: A WAS Initiative. Moderated Panel Discussion on Transgender Sexual Rights"
World Association for Sexual Health Meeting
Mexico City, MEX, October 12-15
- 2019 “Feminism and the Triple Bind: Gender and Intersectionality”
Cross-cutting Global Conversations on Human Rights: Interdisciplinarity, Intersectionality, and Indivisibility
Occidental College

Los Angeles, CA, September 26-27

- 2017 “Reflections and Implications for Research, Challenges, Direction for Future” panel as part of “In Transition”: Gender [Identity], Law & Global Health Research Symposium USC Global Health + Law Collaboration
Los Angeles, CA, April 21
- 2015 “Decolonizing Cultural Studies Methodologies”
Undisciplined Conference at Queen's University
Kingston, ON, March 27-28

MEDIA APPEARANCES

- 2022 “For years, Black trans women have been told their life expectancy is 35 years. That’s false: While there’s no evidence to support the statistic, experts do worry that it creates a self-fulfilling prophecy for Black trans women.” By Kate Sosin for *The 19th*
<https://19thnews.org/2022/08/black-trans-women-life-expectancy-false/>
- 2022 "[Trans Reproductive Justice](#)"
Podcast for *Sexual and Reproductive Health Matters* with Blas Radi, and AJ Lowik
- 2021 “The Bad Science Behind Trans Healthcare Bans: Lawmakers cling to flawed evidence while restricting care for trans youth,” by Kait Sanchez for *The Verge*, July 30.
<https://www.theverge.com/22590708/trans-youth-gender-affirming-healthcare-bans-science>
- 2021 “Northwestern scholars co-found Center for Applied Transgender Studies with institutions worldwide,” by Joshua Perry for *The Daily Northwestern*, May 20.
<https://dailynorthwestern.com/2021/05/20/campus/northwestern-scholars-co-found-center-for-applied-transgender-studies-with-institutions-worldwide/>
- 2020 “How many scientists are LGBTQ? Federal survey delays frustrate researchers: Scientists call for National Science Foundation’s workforce surveys to tally sexual and gender minorities,” by Katie Langin for *Science*, December 16.
<https://www.science.org/careers/2020/12/how-many-scientists-are-lgbtq-federal-survey-delays-frustrate-researchers>

TEACHING EXPERIENCE

University of Southern California

Academic Adviser & Project Lead

Sustainable Development Goals Summer Academy
“Equitable Investment in Street Assets Project”

Summer 2020

Laboratory Co-Instructor

Sustainability Science in the City Spring 2019, Fall 2020, Spring 2021

Teaching Assistant

Human Populations & Natural Hazards Spring 2020
Race & Class in Los Angeles Fall 2018
The African Diaspora Spring 2018

Queen's University

Teaching Assistant

Gender, Race, and Popular Culture Spring 2016
Racism, Colonialism, Resistance Fall 2015
Gender, Race, and Popular Culture Summer 2015
Introduction to Gender and Sexual Diversity Spring 2015
Women, Gender, Difference Fall 2014

RESEARCH EXPERIENCE

Project Management

- 2020 *“Validation of Responses to the World Health Organization’s Global Policy Survey”*
USC Institute on Inequalities in Global Health under World Health Organization contract
Supervised the verification of legal documentation in French, Russian, and Spanish
submitted as evidence of country responses to the WHO survey on sexual, reproductive,
maternal, newborn, child, and adolescent health (materials available upon request)
- 2020 *“[Equitable Investment in Street Assets & Asset Management](#)”*
USC Dornsife Academy in the Public Square project with SDG Leadership Academy
Contract with Los Angeles Mayor’s Offices of International Affairs, and Chief Designer
And Los Angeles Bureau of Street Services
Team lead for a project to create a data-driven tool for calculating racial disparities in
access to public transportation-related assets and policy directives to correct them

Research Assistant

- 2019 Mapping Critical Data Studies
USC Center on Science, Technology, & Public Life
PI: Juan De Lara
- 2019 Spatiotemporal Trends of Premature Mortality
USC Spatial Sciences Institute
PI: Robert Vos
- 2016 Research Priority Setting for Transgender Women Living with HIV Across Canada
REACH 2.0 in collaboration with Canadian Institutes for Health Research
PIs: Zack Marshall and Ayden Scheim

FURTHER TRAINING

- 2022 Methodologies for Just Urban Futures: Interrupting Policing with GIS
Clark University, Department of Geography
4-day intensive workshop on using GIS and data science to track and interrupt ongoing criminalization, policing, and mass incarceration in cities around the world
led by Dr. Asha Best
- 2018 Future Faculty Training Institute
Center for Excellence in Teaching at University of Southern California
14-week training intensive for current doctoral students and post-doctoral scholars
on syllabus development, linked assignments, and pedagogy
- 2018 Foundations in Bioethics
Yale Interdisciplinary Center for Bioethics
Weeklong intensive introduction to applied and theoretical bioethics through workshops,
collaborative seminars, and continuing education courses

SERVICE TO PROFESSION

Reviews Editor, Assistant Editor & Co-Founder, [Bulletin of Applied Transgender Studies](#), platinum, open-access journal published by the Center for Applied Transgender Studies and Northwestern University Libraries

Co-Founder, Distinguished Fellow & Director of Finance, [Center for Applied Transgender Studies](#); I and my colleagues, TJ Billard and Eriq Zhang, founded a non-profit organization which strives to bridge academic transgender studies and impact-oriented research into the lives of transgender communities.

Consultant, World Association for Sexual Health Transgender & Gender Diverse Assembly for WAS & South African Sexual Health Association Conference “Leave No One Behind” 2021

Peer Review

American Journal of Public Health

Behavioral Medicine

Biological Psychiatry: Cognitive Neuroscience & Neuroimaging

BMC Public Health

Bulletin of Applied Transgender Studies

Critical Public Health

International AIDS Society Conference

International Journal of Transgender Health

Qualitative Research

Sexual & Reproductive Health Matters

Sexuality Research & Social Policy

Transgender Health

SERVICE TO UNIVERSITY

Reviewer (2021), National Systems-Impacted Writers Contest, USC Prison Education Project

Member (2019 – 2021), [Student Advisory Council](#), Institute on Inequalities in Global Health, Keck School of Medicine at USC

Graduate Student Representative (2017-2018), represented USC American Studies & Ethnicity to graduate student senate & represented graduate student concerns to department

SERVICE TO PUBLIC

Member (2019 – present), [Data Advisory Council](#), [Center for Health Equity](#), Los Angeles County Department of Public Health; I serve on a committee of community advocate and subject matter experts who help to facilitate ongoing public health projects through the CHE. I and other members consult with divisions across DPH at their request.

Founder & Lead Moderator (2017 – 2021), [Trans PhD Network](#), a private group of 1,800 academics and researchers who are all trans-identified. We provide networking and support and I've personally read dozens of graduate school applications, reviewed R&R's, and helped others navigate health insurance and legal processes like name and gender changes with their institutions.

TECHNICAL SKILLS

Geographic Information Systems Software

ArcGIS suite – proficient
QGIS – advanced
GeoDa – advanced
R spatial packages – intermediate
PostGIS – basic
TerrSet - basic

Quantitative Data Analysis Software

SPSS – advanced
R – intermediate
STATA - intermediate

Qualitative Data Collection & Analysis

Dedoose – proficient
General survey design - proficient
Qualtrics – advanced
Redcap - advanced

Languages

French – fluent reading, writing, and speaking

Spanish – excellent reading and writing, conversational speaking

PROFESSIONAL MEMBERSHIPS
