

2019 MHI Employment Report

Master of Health Informatics

Survey Outcomes

The University of Michigan School of Information (UMSI) Career Development Office surveys our graduates to identify their post-graduation plans and outcomes. This report summarizes UMSI first-destination outcomes from 2018 MHI graduates who completed the survey by the deadline or for whom a known outcome was reported in other ways. Of the 36 MHI students who graduated in 2018, 90% responded to the survey or reported their outcomes in other ways.
