Where our graduates are working

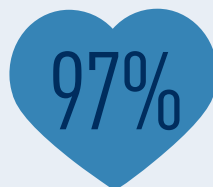

Our graduates' salaries

UMSI salaries are competitive and are reported at the top of national salaries in comparative career fields and industries. Our graduates' salaries hold one of the highest rankings according to the Library Journal salary report. Because salaries vary by degree program, industry/sector, and geographic region, specific salary outcomes by academic programs are available in the program-specific employment reports.

Working in field of choice

Have high levels of job satisfaction

2020 PhD Job Outcomes

UMSI PhD graduates continue to succeed in both industry and academic careers. This year 100% of graduates reported jobs in their field of choice. Of the 8 graduates, 2 accepted positions in industry, and 6 accepted positions in academia.
